

**ROUND 1 QUICK QUOTES**  
**March 6, 2025**

**GARRICK HIGGO (-6)**

---

**Q. Garrick, 6-under 66, same as you opened with last year. You're obviously comfortable here.**

**GARRICK HIGGO:** Yeah. I think I'm in a different spot than last year game wise, I was still injured last year. Kind of came out of nowhere in a way, but yeah, I do like the course.

**Q. When you say kind of came out of nowhere, was it like a surprise to you or were you --**

**GARRICK HIGGO:** No, I was making big swing changes so like obviously I wasn't expecting to play well, and I just come off like a bone bruise on my wrist. I think I putted pretty good the first round.

Today I hit it better than I putted, I think.

**Q. I think you birdied all four of the par 5s. Is that kind of the approach to a course like this, take advantage of the scoring holes?**

**GARRICK HIGGO:** I think so, especially if I hit good tee shots on those holes, which I think I did for the most part. And I'm obviously decent length, so yeah, I had good chances.
