

ROUND 1 QUICK QUOTES
March 6, 2025

KEVIN ROY (-10)

Q. Kevin, 10 under today, obviously great round, pretty sure it sets your career low on PGA TOUR. Can you take us through your round?

KEVIN ROY: Yeah, it was one of those rounds that just obviously everything was clicking. Hit a lot of fairways, lot of greens, hit quite a few wedges in there close and finally saw some putts go in, which is always nice. I struggled with the putter last week in Palm Beach and did some work with it early on in the week, kind of tweaked just a little bit of posture and saw some go in, so it was great.

Q. Second time playing this event?

KEVIN ROY: Yeah.

Q. How does the course itself match with your game?

KEVIN ROY: I like it. I played here, what was it, two years ago. I played well, think I finished like 18th our so. It's soft out there so the scores are going to be low. Like you said just a second ago, kind of feels like a Korn Ferry week with how low the scores will be. Yeah, it was a great round of golf. I'm super happy with it.

Q. And then to have a couple top-25s this year and a couple missed cuts, kind of up and down, I guess what's your outlook so far 10 events into the season?

KEVIN ROY: Yeah, I'm happy with it. I'm feeling more and more comfortable out here. I thought it was a really good start to the season. Looks like we played our way into THE PLAYERS, which is pretty awesome. Yeah, a couple of the missed cuts that I had, I was right there, I gave myself a chance, which is great. Yeah, I think it's been a good start to the season.

Q. Obviously you were playing well before the weather delay, but then go right back out and hole out from the bunker. Can you talk about that hole?

KEVIN ROY: Yeah, that was silly, I'll be the first to admit it. It was not the best hole to come out and start on again. We were kind of in between numbers, it was a perfect 7 before we started with a little bit of help wind and when we went back out it was dead calm. I still tried to smoke a 7-iron, tugged it a little bit and came up short. The lie was perfect. Obviously just trying to get it up and down and it came out great with a little bit of spin and trickled in. Huge bonus, but I would have taken a 3 there, too.
