ROUND 2 QUOTES
March 7, 2025

DAVIS CHATFIELD (-11)

Q. Davis, 64, strong round that started with a bogey early but then you got things going.

DAVIS CHATFIELD: Yeah. I chipped in on 14, which kind of kickstarted the round. Then on the next hole I hit the pin, so things were trending in the right direction. Yeah, just stuck to my process after that bogey happened and knew that there were a lot of birdies if you hit it well off the tee. Yeah, just happy with how I finished it.

Q. Afternoons here are tougher with the course playing firmer, so tell me about conditions this afternoon.

DAVIS CHATFIELD: Yeah, it was tough. I mean, if you're in the rough, it was hard to just get it on the green let alone try to make a birdie.

This afternoon it was crispy out there, it was really tough. You needed to hit a lot of fairways and I was able to do that with my driver.

Q. You've been fairly consistent, strong this season aside from last week, which was a complicated week with stops in the weather and everything, right?

DAVIS CHATFIELD: Yeah.

Q. You've got to be very pleased about the way things are going this year?

DAVIS CHATFIELD: Yeah, I'm happy with the start of the year. This is my I think fourth time being in contention in six weeks, so I'm obviously thrilled about that. This week's only halfway done and I'm looking forward to it.

Q. Over the weekend with these conditions, sunny and hot, it's going to get tougher. Tell me about what you expect from the course and what's going to be the game plan over the next 36 holes.

DAVIS CHATFIELD: Yeah, fairways and greens are going to go a long way. This course is usually a shootout, but they made a bunch of new tees so it's playing a lot harder than it has in previous years.

Yeah, the game plan's going to stay the same, just going to try to hit as many fairways as I can, as many greens as I can and I think that's going to go a long way this weekend.

Q. Anything interesting you've been up to down here in Chile?

DAVIS CHATFIELD: Trying to find some more eating spots. I haven't done a ton outside of golf, just kind of resting. Like you said, last week was a long week. Even though I didn't play all 72 holes, it was still a long week.

Yeah, looking to explore a little bit more this weekend.
