**DAVIS CHATFIELD (-13)**

---

**Q. Davis, it was a battle out there. The course in the afternoon plays really hard, two under for the day. First of all, your thoughts on your round today?**

**DAVIS CHATFIELD:** Yeah, I thought I hit a lot of good shots. Like you said, it was tough out there. The wind started to kind of pick up on the back nine and it was just really firm. Like if you didn't hit the fairway, you weren't going to get close.

So much different course than the mornings here, but I'm happy with how I battled.

**Q. Bogey free, good effort that you made, two birdies. It demands a lot of patience, doesn't it?**

**DAVIS CHATFIELD:** Yeah, definitely. You've got to be patient out here, you can't get ahead of yourself. Kept reminding myself one shot at a time. If you start getting ahead of yourself, you're not going to do yourself any favors. So yeah, stuck to my game plan and executed pretty well.

**Q. You're solo second trailing Cole by two shots, so you guys will be in the last twosome tomorrow as well. Tell me about Sunday.**

**DAVIS CHATFIELD:** Cole's a great guy, I love playing with him. Known him for a while now. Fun watching him play, he's creative.

Yeah, I'm looking forward to tomorrow. Whatever it brings, I'm going to fight and whatever that brings at the end of the day is good.

**Q. What did you learn about today's round and the conditions that will help you tomorrow?**

**DAVIS CHATFIELD:** I think the tough holes are going to be key tomorrow. There's a couple tough holes out here, especially on the back nine, there's a good stretch of 13, 14, 15. If you can get through those well, you'll set yourself coming in. Like you said, I've got to stay patient out there.

**Q. Late start today, late start tomorrow, around 2:30. There's a lot of time early in the day.**

**DAVIS CHATFIELD:** Yeah.

**Q. How are you managing your time?**

**DAVIS CHATFIELD:** I slept in today and then I still took two naps before I even got to the course. Yeah, there's a lot of time to kill.

I was happy with how I spent it this morning. Yeah, you've just got to find yourself -- find it outside of golf. I've got to do the same thing tomorrow.
