

**ROUND 2 QUICK QUOTES**  
**March 28, 2025**

**RASMUS HØJGAARD (-7)**

---

**Q. Rasmus, sitting at 7 under after the first two rounds heading into the weekend. I know you said you struggled off the tee a little bit today, but how were you able to still put together a good number and how are you feeling going into tomorrow?**

**RASMUS HØJGAARD:** Yeah, it was tough for me today. I hit it bad off the tee, obviously got lucky quite a few times with not being lost balls. But yeah, managed to hit it -- I felt like my approach game was decent today, and obviously putting has been saving me these two days.

Yeah, I have some work to do on the range this afternoon, but I'm looking forward to the weekend.

**Q. You mentioned you've been putting well. Is there anything about this golf course, the greens that you're liking?**

**RASMUS HØJGAARD:** I just, I mean, I don't know. Greens are good out here and for some reason I managed to roll the putter good yesterday and see a couple go in and I took that with me today. I can't really tell you what it is that makes me putt well on these greens.

**Q. From a 30,000-foot view, your rookie season on the PGA TOUR, how would you assess your rookie season so far and how it's been?**

**RASMUS HØJGAARD:** I've enjoyed it. Probably haven't played as good as I wanted to, but again, it's a long journey, it's a process at the moment. I'm just trying to learn as much as I can and take whatever good golf that comes my way.

**Q. You played with your twin brother, so talk about how much you enjoyed that. I guess you guys were pretty much at ease because you know each other so well on the course?**

**RASMUS HØJGAARD:** Yeah, it's good fun. Probably could have been a bit more fun if both of us played nicer these two rounds. We both struggled a bit off the tee and I managed to get around today and obviously Nicolai struggled a little bit. It's been fun, something we haven't done in a while. It's nice to play with him.

**Q. Did you guys talk a lot or were you too much just focused on your game? Was there a lot of little conversation going on just talking?**

**RASMUS HØJGAARD:** We did talk a little bit out there. We don't talk much in the first

place, but we did have a few conversations out there.

**Q. Final question from me, you're looking for that first PGA TOUR win, you shot yourself in contention and then you look up there and you see you're chasing and there's Scottie Scheffler. Just talk about that.**

**RASMUS HØJGAARD:** Yeah, there's no hiding from that. Got to play well to have a chance to beat him. It's not really my focus at the moment. I'm not really looking at the leaderboards and seeing what names are up there, I'm just trying to play as good of golf as possible and see where that takes me.
