

## Club Car Championship

### ROUND 1 INTERVIEW

April 3, 2025

### JOHNNY KEEFER

---

**Q. Johnny, 7 under today, bogey free, just walk us through your round and what was working well today.**

**JOHNNY KEEFER:** Yeah, I think I gave myself a lot of opportunities. You know, hit it in some pretty good spots off the tee, gave myself a lot of good looks from the fairway. Yeah, you know, just really simple stuff, tried not to overcomplicate it. There's some rough pins out there, so knowing to just give myself some 25-footers and kind of just try and putt my way around this course, which I think I did pretty successfully.

**Q. You closed your round out today with two birdies, so I guess what got going those last two holes to finish strong?**

**JOHNNY KEEFER:** Yeah, holes before that, you know, just seemed like a lot of stuff was really close to going in. Then finally the last two holes I gave myself some really good looks. Me and Joe knew we had the read, so just gave myself a good roll and they happened to find the bottom of the cup.

**Q. You had a good start to your first season out here through the international swing. Where do you feel like your success has come with your game and what's been strong through those first six events?**

**JOHNNY KEEFER:** Yeah, I think my game's been kind of a little bit all over the place between solid putting, some really good ball-striking. I'd like to see it click all together a little bit more like it did kind of today.

I think I'm pretty steady, especially mental game-wise. I've had some bad rounds, I've had some really good rounds, so staying pretty level and even keel out on the course is pretty important for me, especially through these long swings.

**Q. Is there anything you think you do with your mental game to keep yourself even keel, like you said?**

**JOHNNY KEEFER:** Not really, just try and smile, have fun. I just tell myself get out there, try to have as much fun as possible. If the scores follow, great. If they don't, oh, well, we'll get it tomorrow. Hope to keep that attitude and keep grinding.

**Q. Can you talk about this course and what kind of shape the course is in and all**

that?

**JOHNNY KEEFER:** Course is fantastic. It's my first time at the Landings. Aside from the bats in the morning, it's been just an awesome experience. The tournament's run really well, they did a really good job prepping this course and prepping for us.

**Q. Do you feel good about where your game is and your chances for the weekend?**

**JOHNNY KEEFER:** Yeah, you know, I like to see my name at the top of the leaderboard more often, so if we can keep it there by the end of the week I think we'll be pretty happy.
