**Q. Ryo, not a lot of guys finishing under par today, describe how difficult the conditions were today?**

**RYO HISATSUNE:** Much cold, so much wind, like it tough day. Yeah, I play 15 hole is good playing, last four hole like a little bogey and I'm so sad, but like 68th hole is good playing I think.

**Q. Maybe not the ending you wanted, but still as of right now a top-5 finish for you. How pleased are you with how -- with at least how high up you finished on the leaderboard this week?**

**RYO HISATSUNE:** Yeah, was like two weeks ago in Valspar I finished T-4, then make some like confident right now, then played also playing this week like is a good finish I think. Like yeah, played with confident, but I have to more grind to keep it up. I want to most win, like yeah, yeah. That's some more fewer strokes, so huge. Like yeah, yeah, it's tough, yeah.
