

## ROUND 1 QUICK QUOTES

June 19, 2025

**RICARDO GONZALEZ (-3)**

**Q. Ricardo, you go out in 1 over par and then 4 under on the back. What switched for you at the turn?**

**RICARDO GONZALEZ:** The putt. I make a good shot, but I make from 1 to 4 all the putts. They're very important on this golf course.

**Q. Did the weather coming in, going back out calm you down maybe a little bit?**

**RICARDO GONZALEZ:** No. I think it's fair all day, no? Rainy, windy and on this course is tough, I can't imagine over there, but I think it's today I play good not from the tee but for the second shot, especially on my putt all day very good.

**Q. This is a hard golf course to play from the rough if your driving's not on, isn't it?**

**RICARDO GONZALEZ:** Yeah, that's why I'm very happy because a little (indiscernible) today, but from there I think today one of the best players from the rough.1.
