

ROUND 4 QUICK QUOTES

June 29, 2025

MAX GREYSERMAN (-22, lost playoff)

Q. Max, 77 holes, you did everything but win. What does the competitor within feel right now?

MAX GREYSERMAN: Not good. Unfortunately, didn't get the job done. Thought I hit a lot of good shots down the stretch. Very pleased with how I handled myself down the stretch. It's getting late in the day, greens are getting crusty, they're redoing the course, putts just didn't drop. I hit a lot of good putts. This one's going to sting for a little bit, but I'll get back to work in two weeks.

Q. Max, that was a stellar round today, bogey free. Not quite enough to get it done, and then five extra holes in the playoff. Like I'm sure there's a lot of emotions now and this is a disappointment, but what are the good things that you can take from a day like today?

MAX GREYSERMAN: Yeah, handled myself really well, hit a lot of good shots under pressure all day from the start. Being at the top of the leaderboard in the final group, I don't know if I -- I think I've been -- yeah, I've been in the final group once or twice before, but just to get that experience is good.

I did a lot of good things. I started the day two back. Obviously wish I could have had a few shots back or a few putts, but hit a couple good putts at the end with pretty decent speed and sometimes putts don't go in.

Q. You made a good one for par on the first playoff hole and then the next couple holes it was burning the edge.

MAX GREYSERMAN: Yeah, I hit a good putt on 18 in regulation. I hit a good putt in the second playoff hole I think it was, good putt in the third playoff hole. Even the fourth and fifth playoff hole, decent putts, just longer range. Yeah, just wasn't my time.

Q. In regulation, did you feel there was a spot along the back nine where you started to get kind of comfortable and feel like you had a real opportunity?

MAX GREYSERMAN: I felt like I had an opportunity all day long. You know, it was a little disappointing to par I think it was 15, or 14, the par 5. Then I thought maybe I was too far back, but I made a great putt there on 16, so it kind of evens out.

Yeah, I felt like I was in the mix all day. There wasn't really a specific shot, we were kind of both battling all day. Me and Aldrich, we were right there all day.
