

DICK'S SPORTING GOODS OPEN

ROUND 1 QUICK QUOTES

July 11, 2025

TIM O'NEAL (-6)

Q. All right, Tim, thanks for joining us. Great round, 6 under today. Third appearance here in Endicott. Obviously it has to be a great confidence boost heading into the weekend. Just assess your round.

TIM O'NEAL: Yes, today was -- I stayed really patient out there today. I wish I would have finished those last four or five holes better, but all in all a pretty good ball-striking round, and most importantly, made a few putts.

Q. Coming off an injury, how's the arm feeling?

TIM O'NEAL: Oh, it feels good. Bummer I missed the U.S. Open, sprained my left arm, but it's all good now and off to a good start.

Q. Anything different that you've been working on in your game, putting, chipping? Just how's it going?

TIM O'NEAL: No, nothing different. Just for me I just have to stay a little patient. Today I was able to do that. It helps when you're playing pretty good, so my patience wasn't tested too much.

Q. How is your approach going to change going forward?

TIM O'NEAL: It's not, it's not. Scores are going to be low. Course is in great shape so guys are going low. Just have to try to keep making birdies.
