

ROUND 2 QUICK QUOTES
July 12, 2025

BILLY MAYFAIR (-8)

Q. Just talk about your round today. Why do you think you were so successful to put up an 8 under today?

BILLY MAYFAIR: Well, I think a little bit had to do with it, I finished last night, I was in the next-to-last group, I finished last night at 6:30 and went home, ate dinner and got to come right back out at 9:00. So I didn't have as much down time or to think about it.

And had kind of a bad finish yesterday on the last couple holes and was anxious to get back out here, and made some birdies early and I just felt real calm all day, and I thought we were going to get some thunderstorms there and fortunately I didn't have to quit, and I got in with an 8 under and now we'll have to see what happens tomorrow.

Q. How do you feel going into tomorrow at 8 under?

BILLY MAYFAIR: Well, right now the golf course is soft, guys are going to tear it up. If I'm -- get off 1 and past the middle of the pack and go out tomorrow and play real good, we could have a good week.

Q. In terms of what was working well for you today, was it driving, putting, chipping, a little bit of everything? What do you think you did well?

BILLY MAYFAIR: Well, I stayed calm all day. I stayed focused, I stayed calm, I didn't try to hurry. Our group got a little bit out of position, I didn't let that bother me, and sometimes I let that do. So because I stayed calm, I think my swing and my putting stroke felt better.
