

**ROUND 3 QUICK QUOTES**  
July 13, 2025

**STEVE ALLAN (-18)**

---

**Q. Steve, congratulations, wire-to-wire victory here. What's that feel like?**

**STEVE ALLAN:** It's weird, not one of those things I ever thought that I would do. Over the years I would get ahead of myself but I guess I'm improving at it. It was tough, it was tough even yesterday hanging in there, and today early on it was a bit rough with the driver, in the rough a lot and just managed to hang in there. And then on the back nine, made a few putts, which gave me a bit of breathing room.

**Q. Yeah, that putter heated up, but the whole time to me you looked calm, you looked like you were in the moment.**

**STEVE ALLAN:** Yeah, yeah, I mean, I'm trying to be. I'm getting better at it. It's hard with a few holes to go. A couple of those water holes and things like that, it's tough. I got a couple good breaks today, my drive on 15 to pop out there was really lucky, I had the same thing happen on 12. Sometimes you need a bit of luck and I'm glad I could take advantage of it.

**Q. And with your son on the bag.**

**STEVE ALLAN:** Yes, amazing.

**Q. What did he say to you?**

**STEVE ALLAN:** He's been pretty calm, he was good. Obviously now his older brother caddied for me earlier in the year when I won. It's crazy, I can't explain it.

**Q. No, of course not. Well, congratulations, soak this in. You're one of now three multiple winners on the PGA Tour Champions this year, how about that?**

**STEVE ALLAN:** That's amazing, that's great. Thank you.

**Q. Congratulations.**

**STEVE ALLAN:** Thanks.
