ROUND 3 QUICK QUOTES
July 19, 2025

KEVIN DOUGHERTY (-19)

Q. All right, Kevin, 10 under today. Just what were you able to capitalize on out there?

KEVIN DOUGHERTY: I made a lot of putts. I hit it kind of like where I was looking off of every tee. (Inaudible) and left myself with some very makeable putts and I converted a lot of the ones you need to convert.

Q. What was different than the past couple of days?

KEVIN DOUGHERTY: I shot 8 under today so it was similar to yesterday. Played very solid the first day, just a couple mistakes. Kind of (inaudible) some lies out of the rough kind of cost me (inaudible).

Q. What is it about that back nine that really lights it up for you?

KEVIN DOUGHERTY: Just a lot of opportunities, especially with this weather and how hot and humid it is. If you're hitting irons good and going where you're looking, you can give yourself some looks.

Q. And runner-up finish last week, what has been clicking these last two weeks?

KEVIN DOUGHERTY: Just kind of the way I changed my practice to be a little more on-course situations rather than playing golf (inaudible). That's kind of what I learned last week coming down the stretch (inaudible) and definitely executed a little better. So try to do that again tomorrow.

Q. And coming down the stretch of the season here, 32nd on the points list, is there any motivation or drive to get back to the Tour again?

KEVIN DOUGHERTY: Oh, yeah, that's what we wake up for, that's what we practice for, we work out for. The motivation as there. At the end of the day it is golf. The PGA TOUR is a whole different animal.

Q. And making it a little light here and I hear Chandler, that you were cheffing it up for him?

KEVIN DOUGHERTY: Yeah, he finished late on Friday. Chandler myself and Tyson are in a house and I figured the least I could do is cook some dinner since I pretty much make every meal when I'm home. Yeah, he walked right in and had a meal, so I was kind of the house parent for those two boys on Friday.

Q. And did you steal any advice from him? He had the back-to-back 10 unders and now you fired one today.

KEVIN DOUGHERTY: Yeah, maybe it's something in the house, some water in the house or something like that. Hope we can get another low one tomorrow.

Q. A lot of guys might count themselves out after a guy shoots 20 under in two days. How did you come out here and believe you could fire a great score and get back in this?

KEVIN DOUGHERTY: The fact that 20 under was leading after two days, it just goes to show you there's a ton of opportunities out there and if you're doing the right things, definitely things happen.

Q. I've asked this question before, what is it about this course, period? Why does this course lend itself to such high scores every single year?

KEVIN DOUGHERTY: Yeah, honestly, I think it's just the humidity and the heat, to be honest with you. They've got to protect the greens. They're just a little on the soft side, so with how good guys are getting with irons and wedges, you can be very aggressive. The rough is way up. I had some lies I've never seen before in my entire golf career so that part's amazing, but unfortunately the greens have to be soft with kind of the weather.

Q. With you and Chandler being housemates this week, what was it like last night having a conversation with him, like dude, what are you drinking? I know what you're eating, but what is it, how did you shoot 20, how did you shoot 20 under, 10 under each day?

KEVIN DOUGHERTY: Yeah, me and Tyson were just kind of jabbing him, giving him a hard time, give us guys a chance, and luckily I had a chance to come out and shoot 10 today.

Q. Like you mentioned, a win this week would be huge in the points standing list, so how do you just go into tonight and go hey, I'm going to try to do it again tomorrow and not make it bigger than 18 holes of golf?

KEVIN DOUGHERTY: Yeah, I've been doing this long enough to kind of understand that getting ahead of yourself isn't going to help anything. We're going to come up on that 18th green, at the time we're going to come up and not get there earlier in my head, and be mindful of when I do have those kind of thoughts go through my head, deal with them with how I know how to deal with them and just take everything as it goes.
