

NV5 Invitational

ROUND 1 QUICK QUOTES

July 24, 2025

COOPER DOSSEY (-8)

Q. Cooper, 8 under today, I guess take us through that back nine, you finished with a 29.

COOPER DOSSEY: Yeah, rough into the front nine, bogeyed 7 and 8. Got a stern talking to from my brother the last couple of weeks for my attitude, tried to have a lot of fun out there. Made a good putt on 9. Then I really wasn't in a lot of trouble today, I kept it in front of me. Been making a lot of improvements on the greens this year. Putted well on the back nine, so yeah, it was a nice way to finish.

Q. You've had your brother on the bag now for a bit, so what was the talking to he gave you?

COOPER DOSSEY: I mean, I can lose it out there. He chose to come do this, he didn't have to, and I know it's not easy.

But it's just, I mean, we're good friends. We have a lot of fun together off the golf course and we're trying to bring that on the golf course. Yeah, just being an idiot basically what he said.

Q. And what's it mean to kind of have him out here and making that choice to hop on the bag for you?

COOPER DOSSEY: It's great. My family's really close to me. My wife's pregnant right now. He's been a nice sound board for me as we make that change. It means a lot for him to come do this. I know he would love to be playing golf and I think caddying, he's really good at it. We just have a lot of fun. We travel together, we spend a lot of time together. And our other brother, Sam, is still playing at Baylor and we're just really close. It makes it a lot easier out there, for sure.

Q. Looking at this season now as we're kind of hitting the grind, a long stretch, where do you feel like your game's at? You had a good finish a couple weeks ago.

COOPER DOSSEY: Yeah, same place as last year I feel like, a lot of good, some bad. Since Luke's been on the bag it's been a nice little run, got top-10 in Knoxville, top-5 in Denver. Just having fun out there. I mean, these courses are not the hardest to learn, and we've been really good at our prep Monday, Tuesday, Wednesday, and I think that's what's helped me a lot Thursday, Friday and on the weekend. Yeah, I'm thankful he's on the bag and thankful he's a good sound board.

Q. Where are you at at this point in the season I guess mentally? You mentioned similar to last year, I guess where you are event to event?

COOPER DOSSEY: Yeah, I don't look at it anymore, I learned that last year. A lot of emotions at the end of the year last year. Ashley's pregnant, we have a sweet boy coming and it's been awesome, man. I thought it would be stressful, but it's been the farthest thing from stressful. We're super blessed. She's healthy and God's given us the ability to have a child and that's kind of where I'm at. I'm just kind of out there thinking about him and thinking about Ashley and it's been pretty sweet.

Q. How far along is she?

COOPER DOSSEY: Twenty weeks, halfway.
