

ROUND 4 QUICK QUOTES
August 3, 2025

GARY WOODLAND (-9)

Q. Hey, Gary, good fight out there, a little bit short, but what will you take from kind of this week and the season as a whole?

GARY WOODLAND: A lot of positives from this season. It stinks to not move on, but I'm excited for some rest, I need it. Rest up, spend some quality time with the family, try to get a little healthier and then get ready for the Ryder Cup now.

It was a good year in a lot of ways, but I have a long way to go in a lot of ways. The best part's my game's in a really good spot and I'm happy with that.

Q. You talked earlier this week about smiling and talking with your coach about staying positive. Were you able to keep that for the most part this weekend?

GARY WOODLAND: I was. I ran out of gas, I did. Credit to my caddie today, man. I'll tell you, he was unbelievable. I told him before we started I was struggling. Had a rough night last night, rough morning this morning. He did everything for me today. He led me around. I was just trying to hit the shots. It wasn't enough in the end, but credit to him, he carried me today.

Q. Cam Young running away with it.

GARY WOODLAND: Awesome, awesome. We all know he's got a lot of talent. He's been out here for a while, I think seven runnerup finishes or whatever it is. The start that he got off to today, I saw the leaderboard, him taking off, it's awesome. I'm happy for him, he deserves it. I think it's just the start.

Q. Going to ask you about him, possible Ryder Cup team member now. He's had success at Bethpage, played there, he grew up in that area and he's shown what he can do there. How much of an asset if he makes the team would he be?

GARY WOODLAND: I mean, the way he drives the golf ball, his putting stats this year are really good as well. Cam's got a lot of talent and anytime you can bring a lot of talent, it helps everybody. I'm happy for him. Like I said, I think it's just the start for him.
