

ROUND 2 QUICK QUOTES
August 2, 2025

CAM DAVIS (-4)

Q. All right, Cam, great finish to make the cut and give yourself a better chance for top-70. How do you feel right now?

CAM DAVIS: I feel like I've done the first thing I need to do this week if I wanted to keep my year going, so I'm pleased that I've got another tee time this afternoon.

Q. Did you feel any pressure down the stretch or were you able to block that out?

CAM DAVIS: No, I felt it, absolutely. I haven't -- last few months have been kind of tough, so I was still trying to make the most of this. Yeah, I was nervous but glad I hit a couple of good shots when I was really needing them. Yeah, overall satisfied. Yeah, now time to keep it rolling.

Q. And you had missed the last few cuts. Was there anything in your game that you felt was holding you back those last few starts?

CAM DAVIS: More mental than physical. The game goes through its ups and downs, I'm just trying to kind of sort myself out and give myself a chance to play good golf.

Q. And your self belief today to get it done, where do you think that kind of self belief came from?

CAM DAVIS: Well, I just, I don't want my season to end this week. I mean, it would be nice to see if I can push myself to next week and then see what happens after that. You know, they give you plenty of motivation to try and play well, especially at the end of the season.

Q. Did you look at the standings at all into the week?

CAM DAVIS: I knew where I was going to be, so I was well aware of what the situation was, but I haven't been obsessing about it. I've just known that there's a little extra pressure on this week.

Q. And what would it mean for you to make the Playoffs?

CAM DAVIS: It would be awesome. I would be very pleased because it would have meant that this week was a positive step in the right direction.
