

**ROUND 4 QUICK QUOTES**  
**August 3, 2025**

**ALEX NOREN (-15)**

---

**Q. Alex, how would you assess your week as a whole and being able to put together a nice finish?**

**ALEX NOREN:** First of all, it's not like I usually sign my hat. It was for a kid, now I have to bring it back for you guys.

Yeah, it was a good round. I played good golf this whole week and last week, so I'm very pleased. Hit it so much better than I have last few months, and putting was good today. It was really enjoyable.

**Q. And the 18th, what did it mean? Can you talk through the last hole?**

**ALEX NOREN:** Yeah.

**Q. Tough hole to finish.**

**ALEX NOREN:** Yeah, it's tough and I've kind of missed the fairway there to the left every time, and today I hit a better tee shot and it was a little bit easier. I thought that pin like with a wedge it's approachable because it's in kind of a bowl back there, but if you miss that bowl it's tough. Hit a good shot, yeah.

**Q. And then what will you -- what's your kind of plan the next few weeks? Not going to make the --**

**ALEX NOREN:** Yeah, I'm going -- I'm going to go to Sweden, I'm going to get some vacation with my kids and family, my wife. And then I don't know, just practice, trying to get in shape for the remaining of the season.
