

ROUND 3 QUICK QUOTES
August 10, 2025

STEVE ALLAN (-15)

Q. Steve, took you 20-plus years to win on any tour for a long time, you win there at Mission Hills, now you've got your third PGA TOUR Champions win. What's going through your mind?

STEVE ALLAN: I can't explain it actually, John. I think, I don't know, I think I found a bit of a groove with, you know, my swing. I think I'm more aware of what I'm doing wrong when it goes wrong. I had a fairly tough few years there so when things do start to go wrong there, I'm not panicking anymore. Beginning of last year I had a few tournaments where I didn't play very well, so I'm going into today, just let it happen. I'm not trying to force it, I'm not trying to push it, I'm just trying to play.

Yeah, things went well for me today. I got lucky a few times. Right near the water on 8 and it stayed up. Didn't hit good shots down the line and I end up as the champion. So I think a little bit of luck and I played well, putted well.

Q. Sounds like you're just out playing golf now, not thinking about different things, you're just out playing?

STEVE ALLAN: Yes, definitely, definitely less stress, I think. You know, coming through Q-School to get on this tour and having a chance to at 50 to play golf for money is amazing, so it's all bonus. And yeah, just letting it happen. Like I said, I'm not trying to force it. I'm not getting upset when things go wrong, I'm just trying to play and have fun.

Q. Big finish last year to get you into this year, now you've got three PGA TOUR Champions wins, congratulations.
