

ROUND 2 QUICK QUOTES
August 23, 2025

SØREN KJELDEN (-10)

Q. Søren, 65 today, three birdies to finish. Tell me about your round, what was going well for you.

SØREN KJELDEN: Yeah, I mean, I made birdie on the first and then I didn't really feel that comfortable for a little while. Then nice birdie on 7 and 8 like I did yesterday. Then that sort of kickstarted me, then I played really well at the end. Great to finish with three birdies.

Q. What was the biggest difference for you yesterday's round compared to today?

SØREN KJELDEN: I think I got it into the fairway a little bit more. I still missed quite a few fairways, but yesterday I only hit I think five or six. I probably nearly doubled that today, I'd say maybe nine or 10 or something. So it helps a lot to play off the fairway because even though you can play out of the rough here but obviously you lose spin and control and stuff like that, so you need to be on the short stuff. I did that better today.

Q. And lastly, just what's the mindset going into tomorrow? You're in contention yet again.

SØREN KJELDEN: Yeah, I'm loving that, so I can't wait. It's great, great to have another chance to go out there and see if I can play well. Yeah, the excitement of that, I really look forward to that.
