ROUND 1 QUOTES

DAVID BRANSDON (-5)

Q. So, birdieing three of the last four to finish the round has to feel like a good start to the week.

DAVID BRANSDON: Absolutely, yeah. I also lipped out on 7 for a hole-in-one as well, so that was a little bit gut wrenching but it's a very good start.

Q. Then tied for the lead early in the day heading into Spyglass tomorrow, how do you feel about that?

DAVID BRANSDON: Well, I've got a little bone to pick with Spyglass from last year, it well and truly got me. So fairways is the key around there, so I'll try and keep it in play. Then my iron play's pretty good, so we'll see what happens.

Q. And then obviously unique part of this week is playing with The First Tee juniors. How did that go today?

DAVID BRANSDON: It was pretty cool. My junior, Julio, was a great guy, he was good. It was fun, hits a good ball. Some of his shot selections were a bit suspect. We'll work on that over the next couple of days.

Q. And then heading into Spyglass, do you feel like there's one course that fits your game better than the other?

DAVID BRANSDON: Going by last year's scores, Pebble was better for me, but Spyglass is fine if you're hitting it good. I'm hitting it better than I was last year, so we'll go over there with a bit more confidence.
