ROUND 1 QUOTES

JERRY KELLY (-4)

Q. (in progress) except for one hiccup.

JERRY KELLY: Thanks for reminding me, appreciate it. We talked, Sophia and I talked right afterwards about my favorite stat, which is the bounce-back stat, and almost got it on the next hole, but I got two back right afterwards.

Yeah, I mean, being able to play with these juniors, especially Sophie. I mean, I could see the power in her swing and in her mind and in her heart. She's so much fun to be around. You know what I'm normally like after I knock that thing in the water, I would have been miserable. You know, I can't be miserable around this one. It was awesome. She helped me a lot.

Q. What was going well for you today?

JERRY KELLY: It was ball-striking, it really was. I mean, I left probably six putts dead on the left. I just couldn't get the speed, just a little short. It was right there.

Q. You know playing well over here is a great bonus to start the week because Pebble's an easier course than this as we all know. This sets you up pretty well for the weekend, doesn't it?

JERRY KELLY: I hope so. It's all about conditions, how you strike it the next day. I mean, yeah, hope I wake up tomorrow.
