

PURE INSURANCE CHAMPIONSHIP

ROUND 1 QUOTES
September 19, 2025

MIKE WEIR (-6)

Q. So 6 under to start the tournament here. Can you talk about your round a little bit?

MIKE WEIR: Yeah, it was just a really solid day. I played really well, I hit a lot of really close shots. My wedge game was really good, I hit a lot of close wedges to the hole. Just played really solid, so it was nice, a nice start to the week.

Q. And then at the top of the leaderboard heading into Spyglass tomorrow. How do you feel about going in there?

MIKE WEIR: Yeah, it's a tough course. Got an early start tomorrow but I love the place and I just love the Monterey Peninsula. Probably spurs me on a little bit playing here because I love it so much.

Q. And then obviously unique event playing with the juniors this week with The First Tee. How does that change your game a little bit throughout the week? Does it like calm you down a little bit just playing with them or --

MIKE WEIR: Yeah, I think it probably does. You know, you're trying to help out your amateur. Carolyn's my partner, trying to help her with her game and pay attention to what she's doing and how she can improve. We're going to hit some putts right now and work on a couple things. Yeah, it's good fun.
