

**ROUND 2 QUICK QUOTES**  
October 4, 2025

**DAVID DUVAL (-7)**

---

**DAVID DUVAL:** Only one choice, hit it over the tree and front of the green.

**Q. Is that where you thought you would hit it?**

**DAVID DUVAL:** I thought it might be a little (inaudible) first part of the green (inaudible.) It flew a little bit but not a whole lot. I actually thought the tee shot was perfect, I thought it was really good.

**Q. Pretty good ball-striking day. Did you at any point get impatient with the putts not rolling in?**

**DAVID DUVAL:** No, I hit good putts all day. Sometimes it's hard in this wind, on slippery greens to get them to go in. Three for sure I thought I made (inaudible). To not make a bogey, tough conditions around here.

**Q. How did you and Matt connect for the American Family?**

**DAVID DUVAL:** We've been friends a long time and I don't know how we got talking about it. Initially I wasn't going to play because I was going to be in Italy for my daughter's wedding. Started looking at the schedule and different things and it worked out. Hopefully we can do it again next year.
