

**PRE-TOURNAMENT PRESS CONFERENCE**  
**October 16, 2025**

**BERNHARD LANGER**

---

**MODERATOR:** Bernhard, thanks for joining us here at the Dominion Energy Charity Classic, a tournament that I know means a lot to you as a two-time winner of this event. If we can get some comments on being back.

**BERNHARD LANGER:** Yeah, it's great to be back. It's one of our favorite stops, I think everybody would agree. It's a fantastic golf course, usually in wonderful condition. Steve Schoenfeld and his team do a great job running the event. Yeah, we're excited to be back.

**MODERATOR:** You know, you win this thing every four years, 2017, 2021, so it's your time again I guess.

**BERNHARD LANGER:** Hopefully you're right. I'll be trying my best.

**MODERATOR:** Talk a little bit about this time of the year and what gets your competitive juices flowing so well.

**BERNHARD LANGER:** Well, it's not just this time of the year, we try to play our best all year long, but the Playoff events make you focus maybe even a little harder and you can make some big moves. That's where some people are fighting for their card for next year and others have different goals. It's a great time of the year to get your game in order.

**MODERATOR:** And you mentioned the tournament and the tournament staff, but what is it about this golf course specifically that you like?

**BERNHARD LANGER:** Well, I personally like it because it demands all kinds of shots. You've got to hit it straight, but it's in fantastic condition, that's what I love. The fairways are always good, the greens are smooth and fast and those are conditions we love to compete in.

**MODERATOR:** And talk a little bit about the state of your game coming into the week.

**BERNHARD LANGER:** It's been pretty solid. I had a win on the Legends Tour in Europe about two weeks ago, that was nice. First win this year really. Last week I was in contention, so I'm not far away from playing really good.
