

ROUND 2 QUICK QUOTES
October 18, 2025

DAVID BRANSDON (-1)

Q. David, even par today, I guess just take us through your play the last couple days.

DAVID BRANSDON: Frustrating, pretty much like the rest of the year. Yeah, it's just really frustrating.

Q. What do you feel like you've been fighting out there?

DAVID BRANSDON: Myself at times. Yeah, it's just struggling to find putts on the greens, that's the hardest part. I'm hitting it nicely and struggling to get it in the hole. That's why I'm hovering around even par, 1 under.

Q. Is it kind of entering the week on that bubble, is it something you've really been thinking about as the week's gone on or have you just been kind of focusing on the play?

DAVID BRANSDON: Trying to focus on the play but it's in the background, it's everywhere. You've almost got to look away not to get involved in it, which I'm trying to do. I'm doing a good job, but yeah, it's up to me. If I play decently, it's fine, there's no issue. It's just once again I'm frustrated with my own golf, that's the only bad thing about it.

Q. Is it getting out of your own way?

DAVID BRANSDON: Putts just aren't dropping. I'm playing nicely. Tee to green's pretty good, 17 greens yesterday and today. The whole year's been like it really.
