

ROUND 3 QUICK QUOTES
October 19, 2025

ERNIE ELS (-11)

Q. Ernie, not the result you wanted this week but still overall, pretty good. Just some comments on your play throughout the week and final round today.

ERNIE ELS: Yeah, I played good. It was very tough conditions today. Got totally screwed on 17 and 18, that was the breaks I got. Hey, listen, we played good and came up short again, so disappointing. Got to keep going.

Q. How were you dealing with the wind out there today?

ERNIE ELS: Yeah, it was just very difficult. I got on the wrong end a lot of times. When the gusts came up, I was over the ball. Yeah, it was just kind of the momentum wasn't quite on my side.
