

ROUND 3 QUICK QUOTES
October 19, 2025

MARIO TIZIANI (+3)

Q. Mario, just get some comments. It was a battle out there today with the weather, with the conditions, if we can get some comments on your round.

MARIO TIZIANI: Yeah, I played my heart out. Man, it's stressful. I literally just found out, if it's for sure, 54, so I'm excited for next week.

Q. A little emotional. Why?

MARIO TIZIANI: Just a hard year. I'm proud of myself today. I haven't been proud of myself this year, but today was -- I played hard.

Q. You went out there with the mindset of what today?

MARIO TIZIANI: Just to trust myself for a change. I knew it was going to be hard. I was happy it was going to be hard. I seem to have played well in tough conditions this year and I knew it was to my benefit. You know, I knew I needed help from guys, that stunk, but I figured if I put up a good round it would help as well.

Q. You did. I mean, what's this mean to you moving on?

MARIO TIZIANI: Just something to build on. I got next week and you never know what can happen. Feel like I got a new lease to play next week.

Q. Just going to tack on to what AI was saying and just being able to build on something like this. I know you're still kind of in the moment, but looking ahead to this, what do you tell yourself moving on to Little Rock?

MARIO TIZIANI: I feel like I played under stress all year whether it was trying to win a tournament, trying to finish well, and I just never seemed to really put it together when the chips were down. So, like I said, I feel like I can build on today.
