

East Lake Cup Men – Stroke Play  
October 27, 2025

**BOSTON BRACKEN**  
Arizona State

---

**Q. I'm here with Boston Bracken. As a freshman competing in this event, what are your goals for the week?**

**BOSTON BRACKEN:** Mostly just have a good time, but obviously we want to win. We didn't come here to take fourth, but have a good time. I mean we're at East Lake, so it's hard not to have a fun time.

**Q. Today's round gives you a baseline. What part of your game felt comfortable and what will you focus on sharpening for tomorrow?**

**BOSTON BRACKEN:** I played pretty well today, got the ball in play. if I can keep doing that, give myself some opportunities especially in match play, just don't give away any holes and yeah, it should be good.

**Q. And how are you relying on the team's veterans and coaches when it comes to mapping the course and handling nerves?**

**BOSTON BRACKEN:** I think one of the guys has played here once so far, I think it was before the redo so I don't think any of them have really seen the course a ton. Obviously learned how to play out of different rough and this weather, it's a little different.
