**Q. I'm here with Chris Malloy. How would you evaluate your team's performance today?**

**COACH CHRIS MALLOY:** Yeah, we didn't get off to a very good start, hung in there. I was really impressed with the way our guys fought to make it a match. We were down I think four of the five matches very early, but came back and took the last match to the last hole. So proud of the fight. We've just got to get off to a little bit better start.

**Q. What stood out to you about how your players handled the intensity of match play today?**

**COACH CHRIS MALLOY:** Again, we just did not get off to the greatest start in the world. We need to settle into our rounds a little bit quicker, but their fight, their resilience was pretty impressive to see, which is most important in match play.

**Q. And how do you plan to build on what you saw today heading into tomorrow?**

**COACH CHRIS MALLOY:** Yeah, just clean up a few things especially at the start of our rounds and be a little more ready to go in the morning and we'll be fine.

**Q. What message did you share with your team after today's matches?**

**COACH CHRIS MALLOY:** Yeah, I was proud of their resilience. Again, we got to get a little bit cleaner at the start of our rounds, but I was certainly proud of their fight.
