

East Lake Cup Women – Match Play
October 29, 2025

SOPHIA FULLBROOK
Florida State

Q. Sophia Fullbrook, what's it take to battle the conditions out here against a good opponent and come away with a 4 & 3 victory?

SOPHIA FULLBROOK: A pretty strong mentality I would say. I think pars will be good today. So yeah, trying to grind out those pars and accept the birdies when they come, but also accept the bogeys.

Q. Was there a team discussion about that beforehand?

SOPHIA FULLBROOK: Yeah, I think obviously yesterday didn't turn out how we had hoped, but can only do what we can do today. We knew that the weather was going to be bad, but we're a team that usually plays good in bad weather. Yeah, we grind hard.

Q. You had some match play success over the summer. Does that help you in a spot like this?

SOPHIA FULLBROOK: Yeah, definitely. I think putting yourself in that position coming down the stretch is a great place to be in.

Q. And last question: How does this lead you into the spring after the fall season?

SOPHIA FULLBROOK: Definitely gives me some positives but also some things to work on. Yeah, just continue grinding and see how the spring goes.
