

ROUND 1 QUICK QUOTES
November 6, 2025

VINCE WHALEY (-8)

Q. Vince, great round today, nine birdies. Can you just talk through what was going right for you, first group off today?

VINCE WHALEY: Yeah, first group off so it was playing a little easier than I'm used to out here. There was no wind pretty much the entire day so it was very gettable and I kind of rode a pretty hot putter the whole round.

Q. You were talking about your irons earlier. Can you just talk more about what was going right out there for you?

VINCE WHALEY: Yeah. I think the way these greens are, you can use a lot of slopes and a lot of things to kind of get it close to a lot of these pins, and I feel like I shot some good numbers and was able to play it off those today and kind of give myself some good looks.

Q. Can you talk to the golf course and the conditions out there? Just like we mentioned, first group off, there wasn't too much wind. Did that help you at all or --

VINCE WHALEY: Oh, yeah, definitely helped. It's nice not having to figure out exactly, because it kind of swings back and forth out here, it's not super steady, but yeah, not having to deal with that is a lot of fun, I enjoyed that.

Q. Was there anything you did differently going into this round today that you haven't earlier this fall or pretty much the same as usual?

VINCE WHALEY: It's the same as usual. Golf's just brutal so you never know what you're going to get and I just had a good one today.
