

ROUND 4 QUICK QUOTES
November 9, 2025

CHAD RAMEY (-27)

Q. Chad, great playing just overall all week, best finish on Tour this season. Can you just talk through how you're feeling right now?

CHAD RAMEY: I mean, I feel good. I kind of hung in there well. Haven't had the best season so far but I mean, everything feels good. Like I feel like it's been good for a while, just haven't quite got the results, so to kind of finally get some good results out of it's nice.

Q. What did playing in one of the last two groups do for your confidence going into this final round today?

CHAD RAMEY: I mean, it always helps when you're there because you know you're close to the lead. But I've been there before, I won out here before so I know I can do it. Like I said, just go out and post a good number.

Ben played great today, so I can't -- I didn't beat myself, he beat me.

Q. It was really anyone's game today. How aware were you of how everyone else was playing out there on the course?

CHAD RAMEY: The only -- I was pretty aware of what Ben was doing. I knew he was in the lead or close to the lead. Honestly, I had no idea what everyone else was doing, I just kind of -- I told myself going into today that I wasn't going to beat myself, somebody was going to have to play good to beat me, and he played great.

Q. Your play this week has projected you into the top 100 in the FedExCup Fall standings. Is that something that you were thinking about going into the week?

CHAD RAMEY: Oh, 100 percent. At the end of the year that's the goal, keep your PGA TOUR card. I know you know Ben's top-50, he didn't have to worry about it, but the rest of us out here, that's on the top of our goals.

Q. When you needed it the most, you made three straight birdies to end the day. I know you came up just a little bit short, but how's that mentality?

CHAD RAMEY: I just stayed like aggressive, you know like mentally. I didn't take any crazy aggressive lines, but I just stayed aggressive. I was making good swings. Like even on the front, I played the front great, I just didn't quite make the putts. I just kept it rolling, finally stuck a few in there pretty close and ended with three straight birdies.
