

ROUND 4 QUICK QUOTES
November 9, 2025

SAMI VALIMAKI (-27)

Q. Sami, great week, you were tough in your play and giving Ben a fight in this final round.

SAMI VALIMAKI: Yeah, really good week. I didn't expect this one, but then of course after the first round I kind of pretty much changed everything. Played pretty good round today. I mean, Ben just made a few more putts today and that was it.

Q. Given your position on the standings in the FedExCup Fall, this is a huge week for you. Talk to me about that.

SAMI VALIMAKI: Yeah, of course these last three tournaments, only goal was to kind of keep the playing rights for the next year, so I think they should be done deal with this finish.

Q. How were you able to deal with your position? Was that something that you obviously had in mind during the week being 103rd?

SAMI VALIMAKI: Yeah, I mean, I didn't look that way, I need one really good week and that was kind of the idea behind it. Doesn't matter pretty much if you're 110, 103, need a low one.

Q. Finally, what do you take from your entire performance, staying in contention the entire week?

SAMI VALIMAKI: Yeah, probably should be proud. I mean, kind of my lowest round, still lowest four-round score. I still couldn't win, so looks like need to put more practice on it.
