

**ROUND 1 QUICK QUOTES**  
**November 20, 2025**

**MAX McGREEVY ( -8)**

**Q. Max, bogey-free 64 today, what was working well today with your game and what got going on the back nine there for you?**

**MAX McGREEVY:** Yeah, I actually got a lot of looks early that I missed a couple shorties. Finally got my first one to go on 14, the par 5, and just kind of opened the floodgates a little bit to get that first one.

Yeah, hit a lot of good wedge shots, just gave myself a lot of good looks. Hit some really good kind of par save putts on the back nine when I hit a couple not great shots.

But no, it was just solid in general, just gave myself a bunch of looks and was able to capitalize a little bit.

**Q. How do you feel coming into this week? The good result last week really set you up here in the fall. What is the mindset coming into this week?**

**MAX McGREEVY:** Yeah, a ton of freedom for sure. I was hoping to not have to stress too much this week and luckily don't have to do that. Probably the least stressful round I've had over the last couple months for sure today, which was nice, which shows because my game feels really good. If I can give myself some more freedom like this, I feel I can play some more rounds like this.

**Q. I was going to say, it's got to feel like a weight's off your shoulders after last week.**

**MAX McGREEVY:** Definitely. Going in at 100, Bermuda's one of the places where I've made the cut every single year so I felt comfortable there, but you're never going to feel comfortable when it's blowing 40. Knew that I could play well here as well, but was just super satisfying to kind of just make sure that the job was done and you could kind of just be carefree and let it go this weekend.

**Q. Has that historically been something that's good for your game, if you feel like you're swinging free? Some guys almost like the tension, but seems like maybe the freedom has helped?**

**MAX McGREEVY:** Yeah, for sure. I feel like I haven't quite stepped over that hurdle here on the PGA TOUR. I definitely have shown it on the Korn Ferry where I just, I don't know, I don't really feel stressed no matter the situation I feel like I'm in. Definitely obviously tougher shots, tougher pin locations, just everything in general on the PGA TOUR's a little harder. If I can keep kind of giving myself these chances to be in the spotlight a little bit and kind of free

my mind up a little bit, hopefully moving forward, especially next year, can give myself much more chances.

**Q. How did your swing feel after last week? Had to put the ball in the back of the stance, get a little steep with just the wind?**

**MAX McGREEVY:** Yeah, for sure.

**Q. Did you have to adjust at all?**

**MAX McGREEVY:** Yeah. I don't see my swing coach, Michael Gellerman, a ton on the road, but before even last week happened I knew I was going to want him over here just from going from back of the foot trying to hit draws all day long to trying to get back to my normal golf swing a little bit. It was nice to get to work with him Tuesday and Wednesday just kind of getting things back to level it felt like to me. Definitely showed a lot today.
