

ROUND 1 QUICK QUOTES
December 4, 2025

SCOTTIE SCHEFFLER

Q. Scottie, first competitive round in a while. Feel any rust out there or did it feel back to norm am?

SCOTTIE SCHEFFLER: I felt pretty good I think there's always going to be some rust in there, but I don't really think about that when I'm out there playing, I'm just trying to shoot a score.

Q. First competitive round with the drive in play. Just how did it perform?

SCOTTIE SCHEFFLER: Pretty good. I didn't see anything off the face that I didn't feel in my hands, so that's typically a pretty good thing for me with the driver. When I feel something, when I look up, I want to be able to -- I want it to match so today I didn't see anything out of the ordinary, so that's a pretty good spot to be in.

You don't have to make anything up, I mean, if you've got nothing good.

This better be good.

Q. The chipping around here, why is it so difficult to chip around these greens? Is it just the grain or is it something else as well?

SCOTTIE SCHEFFLER: I mean, I think the grain has a lot to do with it. The ball has a tendency to sit down in the turf. And a lot of it's rough here, so you're below the green, ball's sitting down. It can be pretty challenging.
