December 5, 2025

HIDEKI MATSUYAMA

Q. Hideki, nice round today. Can you kind of just tell us how it went, what went well?

HIDEKI MATSUYAMA: So I made some good putts today, that's why I was able to shoot a good score.

Q. You've been playing well, a couple top-10s your last two starts. Has it been the putting, or what else has been working to have good form?

HIDEKI MATSUYAMA: So I've been working on everything. Looking forward to next season, so I'm looking forward to play well next two days.

Q. What did you think of this past season, how you played and how it went? How did you think last season went?

HIDEKI MATSUYAMA: So we won the first in Hawaii, but didn't play well rest of the season. So trying to play well next two days and looking forward to next season.

Q. And what do you like about this course specifically?

HIDEKI MATSUYAMA: So it's very tough around the green, that's why I like this course.
