

ROUND 4 QUICK QUOTES
December 7, 2025

COREY CONNERS

Q. Corey, what was the difference today?

COREY CONNERS: Yeah, I got off to a steady start. Got the round kickstarted, chipped in on 4, knocked it in in 2 on 6 to make eagle, made another nice putt on 7, up and down on 9. Yeah, played a tidy front nine. Kind of got stuck in neutral again, wasn't able to get any more birdies early on the back nine but had a couple to go at the end. Gave myself a lot of really good chances and yeah, solid day.

Q. Anything you've done particularly well especially the last two days, bogey free over the last 36 holes?

COREY CONNERS: Yeah, I think just being in control of my ball, driving it well and hitting a lot of quality iron shots. If I'm missing, I'm missing in decent spots, but for the most part hitting a lot of solid ones and leaving myself in pretty good spots.

Q. What does a good finish, a solid week do for you this week as you kind of turn the page to 2026?

COREY CONNERS: Yeah, this has been a really fun week, great place to come and test out the game. I've had a lot of fun here with the family and played some good golf, so definitely some positives to take away. Just some confirmation that kind of working on the right things. Yeah, looking forward to another week next week in Naples and then get ready for the 2026 season.

Q. I was going to ask, what are you looking forward to with next week and just the unique format, opportunity there?

COREY CONNERS: Yeah, it's going to be so much fun again playing with Brooke, amazing partner and such a nice person. We're going to have some fun. Hopefully we can get it done this year. We've been close the last few years. Really fun week, great company and very much looking forward to it.
