

ROUND 4 QUICK QUOTES

December 7, 2025

J.J. SPAUN

Q. J.J. how would you kind of characterize the week, how you played?

J.J. SPAUN: Yeah, I think I scored really well. I wouldn't say like my -- well, I don't know. I feel like I could have hit it better, but then I scrambled well and could have puttied better some days. It was overall a really good day, or week.

Q. You definitely scrambled well today, you had a few chip-ins. Just talk about some of those.

J.J. SPAUN: I think I was, yeah, three chip-ins in one day, I don't think I've ever done that in my career. Yeah, just worked on my technique around here with the grain and stuff and got comfortable. Just one of those days where they kind of were going in.

Q. I know there's going to be a little bit of a break now, four, five weeks, the holidays and stuff. How much confidence can you take from a week like this into the next season, which you'll start early on in January?

J.J. SPAUN: Yeah, a lot granted that I didn't play much this fall. I had a fear of being maybe rusty or lose some sort of edge, but to take a lot of time off but still do some practice in the meantime, it feels good to be out here and play really well.

Q. Are you going to reflect a little bit more of what this season and this year kind of meant to you and everything you accomplished now that you get into the holidays?

J.J. SPAUN: Yeah, totally. My family and I are taking a trip to England on Tuesday so it will be fun to just decompress and look back on the year, enjoy a little bit of travel without the golf clubs. Yeah, it will be nice to relish all that I've accomplished this year.

Q. You talked about attending this event as a kid growing up. What's it like making your debut, having Tiger on the range with you warming up? What's that experience been like this week?

J.J. SPAUN: Yeah, he watched me my entire warmup yesterday, like right on my bag. We were chatting back and forth. I was just like so nervous because I'm not used to hitting in front of him. He definitely got the first tee nerves out the way for me there on the range. But it was cool, like I loved coming to this tournament growing up in L.A. and just enjoy being involved with anything Tiger does. If you're kind of hanging around him, you're in good company, you're doing something right. It's been such a fun week and an honor to be here.
