

**ROUND 3 QUICK QUOTES**  
**January 31, 2026**

**RYO HISATSUNE (-13)**

---

**Q. Ryo, how would you characterize or assess that round today, 68, 4 under?**

**RYO HISATSUNE:** Yeah, is very happy especially like it's very good some is a long game as well and then today is a couple making the putt and some really nice shot too. So yeah, pretty happy.

**Q. How comfortable do you think you'll be tomorrow going into Sunday's round amongst the top-5?**

**RYO HISATSUNE:** Yeah, pretty much feel comfortable with long game, so especially it's more it's the same feeling, then hopefully a little bit to be nervous but more just going.

**Q. Last year you came here and you shot 65 in the first round -- or two years ago.**

**RYO HISATSUNE:** Two years ago, yeah.

**Q. How comfortable were you coming back here knowing that you at least played pretty good here?**

**RYO HISATSUNE:** Yeah, this week like a more nice and sunny, than like a more good weather. More help for me than really nice some like long game as well. I like this shape of the golf course so pretty much comfortable to playing.

**Q. This is your third season out here on the PGA TOUR. How much more comfortable are you than the first year you were out here?**

**RYO HISATSUNE:** Oh, yeah, especially I know the golf course, and know the city. Especially San Diego, a lot of Japanese, comfortable. Yeah, it's more help for me.
