

ROUND 4 QUICK QUOTES
February 1, 2026

SI WOO KIM (-16)

Q. You're T-2, Farmers Insurance Open. Can you just talk about how pleased you are with your performance?

SI WOO KIM: I think it was a good round and then it was easy to start a couple under par, and then was makes it easy. And then the back nine was a few holes really tough finishing, so I finished birdie last hole. So I think that -- I like the way I played. I'm happy for a T-2 this week.

Q. And you have played very well this season so far in your first two starts. Can you talk about where your confidence is in your game going into Phoenix next week?

SI WOO KIM: Yeah, it was a good start. I think it's never been like this good start never like last few years, so this is great. Helps me more confidence like going through, so hopefully keep doing this and hopefully I can win soon.
