

ROUND 1 QUICK QUOTES
February 12, 2026

TOMMY FLEETWOOD (-5)

Q. Tommy, nice start to the season, if we can get some comments on your play today.

TOMMY FLEETWOOD: Yeah, I felt like I hit a lot of good shots. I sort of, I chipped and holed out well today. Like I scored pretty solid. There was still a few shots, like I had one really poor iron shot, I had one really poor drive and then one really poor fairway shot, but in general it was solid. I think yeah, I know the conditions were nice, but I still think it's a really good score.

Q. We're possibly looking at a course record, like scoring round records here and at Pebble.]

TOMMY FLEETWOOD: Oh, really?

Q. With how low the scoring is, I'm just wondering if we would have played this first round yesterday, how much different would that look compared to what we're seeing today?

TOMMY FLEETWOOD: I can't imagine. I went out really early morning because I thought the am-am was still on. I just find it hard to see somebody breaking par yesterday like in the conditions that I played in in the morning in the practice round. There's always some good rounds, but yeah, it would have been very different. I mean, I haven't seen the scoring yet today, but by the sounds of it, it's very, very good.

Q. Is that simply just weather based, like calm conditions?

TOMMY FLEETWOOD: Yeah, I played here, I played earlier on Tuesday here and it was really firm so I think the rain has softened it up a lot. But even with that comes you've got to control your spin very well.

But also I guess when the course gets softer, even when you almost about hit it in the rough sometimes and it takes the spin off the ball, so I think then that kind of accumulates because you don't have to drive it amazing to then be in a great position to score and then you can hit a nice shot and then you're going to be closer and all that kind of stuff. I guess that can accumulate.

I don't know what the scoring at Pebble Beach is like. Yeah, the weather's been really nice, and the players are just very, very, very good at golf, so lends itself to good scoring.

Q. I'm not sure if you commented about this and I'm sorry if you have, but I just want to ask you about the decision to go away from the clothing sponsor that you had and obviously you're rocking the Pebble Beach logo this week. Curious why you decided to do that.

TOMMY FLEETWOOD: No, yeah, our contract was ending and it just turned out like we, you know, sort of didn't end up in a place where I'm wearing Nike stuff this year. Who knows what's going to happen in the future.

But this is cool. Like I don't know, like I feel like I'm a big golf fan. I really like golf stuff, so it's quite nice to be wearing like Pebble Beach clothing. I mean, my kids would absolutely love this stuff so I feel pretty lucky to have it on.

Q. Do you collect logos and stuff?

TOMMY FLEETWOOD: Yeah, I do. I like hats. In general, my kids wear way more golf merchandise than me always because I haven't been able to as well.

But no, I do like it. I mean there's some amazing logos around the world and I also think they're just like memorable pieces, right, when you come to a special place. My collection's got a bit bigger, that's for sure.

Q. Is there a specific logo that you would love to add to your wardrobe?

TOMMY FLEETWOOD: That's a great question. No, I don't know. We'll have to see, we'll have to see what happens throughout the year. Yeah, I've got a lot of good stuff, so I'm not -- I'll have to think about that one.
