

ROUND 2 QUICK QUOTES
February 13, 2026

KEITH MITCHELL (-3)

Q. All right, you just talked about it. Walk us through your shot on 7.

KEITH MITCHELL: I can't believe it didn't go in. We were talking about the grand slam of hole-in-ones. We think it would be 7 at Pebble, 17 at Sawgrass, 16 at Phoenix and 12 at Augusta. I have zero of them, but it would be -- that would probably be the pinnacle of hole-in-ones. I wonder if anybody's got four. I know Shane Lowry has two of them, just heard that fun fact.

But yeah, 7 would be an absolute dream, and to come that close.

Q. What would your celebration look like, or did you guys talk about --

KEITH MITCHELL: Travis said he'd tackle me if it went in, so maybe it was a good thing it didn't go in.

Q. As a board member now, do you get fined for not saying 9 at East Lake?

KEITH MITCHELL: Probably.

Q. It was kind of weird or fun outside the ropes, but there was so much rumor swirling about is she going to be here or not. What did you feel inside the ropes?

KEITH MITCHELL: Travis is the man. We had a lot of fun. He hits it really far, really far. I clubbed him too much on 16, he hit it through the fairway. I should have definitely pulled it back.

And I think he was beating me through five or six holes yesterday gross, so I was a little skeptical of his handicap. But he played a little -- unfortunately, he didn't play as well today, but awesome guy, great player.

Q. You typically play with Josh Allen. Did he reach out at all?

Q. You didn't answer the question.

KEITH MITCHELL: Yeah.

Q. Did you feel like you were cheating on him?

KEITH MITCHELL: A little bit. I mean, Bills-Chiefs is a big rivalry. I think Travis has stolen a

lot of games from them. But we did -- Josh, you know, obviously wishes he was here. I think he's healing right now, I think he had an injury, but all in all we had a great time with Travis.

Q. How do their games compare, Josh and Travis?

KEITH MITCHELL: Similar in terms of score. Travis might have a little bit on him in speed. Josh has the ability to hit it that far, but we're trying to get him to use -- trying to get him to swing his driver like he throws a football and it's taking a little bit of time.

Q. Keith, what was the vibe like out there? Obviously a larger than usual gallery and kind of an unusual gallery because a lot of people, a lot of girls had Taylor Swift on their mind.

KEITH MITCHELL: It was normal inside the ropes. It's always nice having people cheering for you and rooting for you even if it's just for your group. It just brings the energy up and makes you feel a little bit of juice even if you're not near the lead.

Q. And how did Travis sort of handle -- as accomplished and famous as he is, it's obviously taken another leap. How did he handle that? It seems like he's very graceful with fans.

KEITH MITCHELL: Yeah, he was amazing. He was, you know, high-fiving a bunch of kids and taking pictures. He handled it like an absolute pro.

Q. I was going to ask, you know, what's the vibe now that they're gone?

KEITH MITCHELL: Business as usual.
