

**ROUND 2 QUICK QUOTES**  
**February 13, 2026**

**SCOTTIE SCHEFFLER (-6)**

---

**Q. Scottie, 6-under 66 today at Spyglass, if we can get some comments on your round.**

**SCOTTIE SCHEFFLER:** Yeah, I got off to -- I mean, I felt like I played better again than my score today, which is pretty frustrating, but was able to get some stuff going on the back nine. So at least a respectable score today versus yesterday, wasn't very respectable.

**Q. Yeah. Take us through that five-hole stretch beginning there with No. 3 and culminating with the eagle on 7.**

**SCOTTIE SCHEFFLER:** Yeah, got the number right on 3, which is really difficult to do that far downhill and into the ocean breeze. Nice to see a putt go in there.

Made another birdie on 4. Two good shots into 5, that's a hard par-3. Good birdie on 6, and then yeah, nice chip-in on 7, which is always nice to steal one, especially on a day where I felt I was giving them away again, so it was nice to steal one there.

**Q. Still nine back, but you inched a little bit closer. Just talk a little bit about your mindset going into the weekend.**

**SCOTTIE SCHEFFLER:** I'd say "inched" would be the operative word there. We'll see how it shakes out at the end of the day. I mean, it's going to take two pretty special rounds, really three special rounds, but you're never out of it. We'll see what happens with the weather. I'll go practice a little bit and then rest up and get ready for tomorrow.

**Q. And as a player, how much do you look forward to two rounds on a weekend at Pebble Beach?**

**SCOTTIE SCHEFFLER:** Yeah, I mean, it will be a lot of fun.
