

ROUND 2 QUICK QUOTES
February 13, 2026

SEPP STRAKA (-12)

Q. Sepp, second consecutive 66, nice start to the week. If we can get your thoughts on your round today at Spyglass.

SEPP STRAKA: Yeah, I putted great, especially on the first 13, 14 holes. I didn't feel like I missed a putt. Then yeah, I battled the driver all day. I hit my driver terrible and so I knew it was going to end up biting me a little bit, just ended up trying to kind of survive.

Made a couple of costly bogeys there, but really felt good about the driver coming in. I kind of found something, so hopefully take that into the weekend.

Q. And you lead the field though in Strokes Gained: Approach the Green, so you feel good about that part of your game?

SEPP STRAKA: Yeah, the iron play has been great, especially yesterday. Today was pretty solid, but yesterday it was phenomenal so hopefully that continues.

Q. Take us through that stretch, middle of your round, five birdies in six holes?

SEPP STRAKA: Yeah, that was fun. I felt like if I just hit the green I was going to make the putt, so that's always a nice feeling to have. Unfortunately that streak ended, but it was nice to have it right there in the middle of the round.

Q. And last, last year 36- and 54-hole leader. How excited are you to be back in the mix here this year?

SEPP STRAKA: Yeah, it's great. I love this tournament. Playing Pebble is incredible, especially the last couple days the weather's been awesome. Spyglass is also one of my favorites. Yeah, always fun to be a part of this tournament.
