

**ROUND 3 QUICK QUOTE**  
**March 7, 2026**

**BLADES BROWN (-11)**

---

**Q. Blades, 3-under 69 today, how happy are you with that round?**

**BLADES BROWN:** I am pumped. It got super windy down there. It kind of died down towards the end, but to come around with a 3-under-par 69 today, one shot back heading to the last day, that's cool with me.

**Q. Talk to us about that eagle on 14.**

**BLADES BROWN:** Yeah, yeah. So It was kind of a weird putt, it broke right and then left, and then left again. Then as it went down the hill it just broke right. And luckily enough I got the speed correct and it snuck in the left side.

**Q. You mentioned this before, this hasn't been your first time being one shot back, you were that in January at the American Express. Talk about how that moment prepared you for being in contention the final round tomorrow.**

**BLADES BROWN:** Yeah, I would just say it's experience, just having that moment and that experience with Scottie and Si Woo and being in the final group is going to help me tomorrow being in the hunt again. I'm really looking forward to it. I love to compete and it's going to be a fun day tomorrow.

**Q. (No audio.)**

**BLADES BROWN:** The rest will take care of itself.

**Q. I just wanted to ask for the Puerto Rican crowd, what's been the best part about staying in Puerto Rico?**

**BLADES BROWN:** Me gusta toda la comida de Puerto Rico.

**Q. What's your favorite restaurant?**

**BLADES BROWN:** Restaurant. Room service. Yes, room service.

**Q. Do you have a dish?**

**BLADES BROWN:** I forgot what it's called. It's something in Spanish.

**Q. Mofongo?**

**BLADES BROWN:** Could be the mofongo. I forgot what it is, but whatever it is, it's good.

**Q. What's been your favorite shot of this round?**

**BLADES BROWN:** Favorite shot, I'd say probably that eagle putt on 15, or sorry, 14. Just it's nice to be able to snatch out a little eagle there especially because my tee shot almost went in the water on the first shot, and hit it up there, what, 50 feet and knocked it in. So it was pretty cool.

**Q. How do you manage mentally the wind? Does it bother you a lot?**

**BLADES BROWN:** The wind? Yeah, I mean, it's just like, it just nags at you the entire day, right? But we play an outside sport, everyone's got to deal with it, so just got to lock in.
