

ROUND 3 QUICK QUOTE
March 7, 2026

JOHN PARRY (-11)

Q. John, 4-under 68, what was working for you out there today?

JOHN PARRY: Just hit it really, really good. Yeah, started well. I think it was key, like tough day, don't get off to a good start, you feel like you're trying to find birdies, which is tricky. But started well, hit it good all day. Missed a couple of chances, which annoyed me, but found one on the last, which is good.

Q. You had a solid round yesterday too with a 65. How have you been able to remain patient with the tough conditions out there, the wind and the heat?

JOHN PARRY: I'm glad for the wind because of the heat. I don't know, I feel like coming from the DP World Tour, we don't get this all the time but we get it maybe more often. And I'm sort of used to it from England, so I sort of like the wind. For me it's quite a nice challenge and I quite enjoy it.

Q. And one shot off the lead heading into the final round tomorrow, what's the game plan?

JOHN PARRY: I think just more of the same. I think the way the course is, you can't really do anything, it's just in front of you. You can't hit certain shots, you've got to take certain shots on. So more of the same and hopefully just hole a few more putts.
