

ROUND 3 QUICK QUOTE
March 7, 2026

MATTI SCHMID (-11)

Q. Matti, bogey-free 68 today, what was working for you out there?

MATTI SCHMID: Yeah, I kind of, I kept the ball in play nicely and I think I hit a lot of greens, and if I didn't, it was more on the better sides I would say. Yeah, very clean day.

Q. You had a top-10 finish last week at the Cognizant Classic. How would you say your game is trending the last couple weeks as you contend this weekend here?

MATTI SCHMID: Yeah, I mean, we definitely play some different golf courses now. The west coast was very wet, that didn't really suit my ball-striking too well. Yeah, looking forward to the next two weeks. Game has been decent, didn't get much out of it. Now it's coming along better and hopefully some low scoring, especially tomorrow.

Q. With the wind out here, how have you been able to remain patient throughout the round and put together another bogey-free round?

MATTI SCHMID: Yeah, definitely on some of these holes with the wind you have to be conservative and just play for 30-footer or something like that, and I've done it nicely.

Q. One shot off the lead heading into the final round, what's the game plan for tomorrow?

MATTI SCHMID: Yeah, I saw the leaderboard bunched today so I expect a few guys to shoot pretty low tomorrow. So you have to put a good one together tomorrow to get it.
