

ROUND 4 QUICK QUOTE
March 8, 2026

JOHN DALY II (-7)

Q. John, not the result that you wanted today, but what did you learn from the experience being in contention over the weekend in your first PGA TOUR start?

JOHN DALY II: Just first of all, just want to thank my Lord and Savior Jesus Christ. This has been an awesome week.

But no, I mean, the fans were great. I learned that you've got to put four rounds together and it's not easy out here. But very happy, not mad at all. Just a great day, great week.

Q. How do you take this week with you as you head back to Arkansas and finishing out your senior season?

JOHN DALY II: Can't wait to get back, can't wait to see the guys and coaches. Look forward to finish out the season and hopefully do something special with the National Championship, that would be nice.
