

ROUND 4 QUICK QUOTES
March 29, 2026

ADAM SCOTT

Q. Adam, if we can just get some comments on the ace there on No. 11.

ADAM SCOTT: Well, it was a fun moment on what was a pretty ordinary day to that point, so that's definitely the highlight of my day today.

Q. Take us through that hole. What did you hit?

ADAM SCOTT: It was a little into the wind, and the wind was tricky for me anyway today. We ended up, I kind of back-footed an 8-iron and it just drew in there perfect. It was actually hard to see the flag mixed in with the people and the crowd, but we heard it go in.

Q. Your first two were at Pebble and then also the Masters out on the PGA Tour. Shane also had one today, Shane Lowry, and he's had three others at Pebble and also at the Masters. He's also had one at TPC Sawgrass. So you've got to catch him there, I guess.

ADAM SCOTT: Next year maybe.

Q. And if I can just ask you real quick, Adam, Gary in the lead right now, can you talk a little bit about the inspiration that he is to everyone out here?

ADAM SCOTT: Well, I'm just so pleased for Gary playing so well. You know, just really look up to him as a mate who put it out there just a couple weeks ago on television, what he's dealing with.

It is inspirational. But him being on the course, like he said, and we're around him a lot in the physio room and the locker room, you know, I think it does help him being out here. So pleased for him playing so well and hopefully getting it done here.
