

**ROUND 2 QUICK QUOTES**  
**May 22, 2026**

**DARREN FICHARDT (-11)**

---

**Q. Darren Fichardt (*fik – HARdt, per Tour*), great round out there today. So take us through today's round. This is your third event out here this season.**

**DARREN FICHARDT:** Well, I just played really, really solid. The greens are so severe, your second shots to the green, you just hope you have an easy enough putt. Luckily, I had a lot of opportunities. I suppose this course is definitely one you play one shot at a time, not get ahead of yourself, not think too negative because if you get in a bad spot, it can catch you, you can make bogeys very quickly. So all in all, played really solid.

**Q. Last time we saw you was at the Mitsubishi Electric Classic, you finished T-8. So tell us about what you worked on since then and how your confidence has really grown out here.**

**DARREN FICHARDT:** Well, I played there and we decided to just stay a few weeks in America, it's beautiful. (Inaudible) out of Tampa, went on a cruise for my birthday.

Yeah, TPC Sugarloaf is really, really good. I try to keep the same sort of swing thoughts and mindset (inaudible.)

**Q. Darren, what's the goal for you? I know the ultimate goal is to play next year out here, but how are you going to handle that? Is it going to be Monday qualifying or trying to get in the top-10?**

**DARREN FICHARDT:** I'm going to definitely -- well, hopefully try and get top-10s, and if not, I've got a full card on the DP World. So I'm sort of up in the air, but I am at the age where I need to pursue the Senior Tour and play well when you've got a chance. (Inaudible) playing against the youngsters, so I'm going to try and push hard and get out here and play qualifiers and top-10s and hopefully wins and see what we get to.
